HOW do I get involved?

Our **challenge** is to all arts, culture and education organisations: come together to form **Cultural Education Partnerships**.

Our Bridge organisations will lead the Challenge, sparking relationships between schools, local authorities, Further and Higher Education institutions, National Portfolio Organisations, Music Education Hubs, museums, theatres, galleries, libraries, community centres and more.

By coming together, we can provide inspiring opportunities for every child, giving them a brighter future.

Yes, I want to meet the challenge!
